

# Tyrone Camarero Specifications

# Tyrone

## Camarero: SDI200C2G-412

### Key Feature

DP Intel 4U Direct-connect PCIe GPU System with up to 8 GPUs  
 High Performance Computing, VDI, AI/Deep Learning Training, Media/Video Streaming, Cloud Gaming, Animation and Modeling, Design & Visualization, 3D Rendering, Diagnostic Imaging.

- Dual Socket E (LGA-4677), 5th Gen Intel® Xeon® / 4th Gen Intel® Xeon® Scalable processors,  
**Note** : Supports up to 350W TDP CPUs (Air Cooled), Supports up to 385W TDP CPUs (Liquid Cooled)
- 32 DIMM slots Up to 8TB: 32x 256 GB DRAM Memory Type: 5600MTs ECC DDR5
- AIOM/OCP 3.0 Support, 8 PCIe Gen 5.0 X16 FHFL Slots
- 8x 2.5" Hot-swap SATA drive bays, 4x2.5" Hot-swap NVMe drive bays, 8 HOT SWAP 2.5" SATA/SAS (AOC required)
- 8 Hot-Swap Heavy Duty Fans with Optimal Fan Speed Control
- 4x 2700W (2+2) Redundant Power Supplies, Titanium Level

Processor/Cache																																																							
<b>Processor</b>	Dual Socket E (LGA-4677), 5th Gen Intel® Xeon® / 4th Gen Intel® Xeon® Scalable processors, <b>Note</b> : Supports up to 350W TDP CPUs (Air Cooled), Supports up to 385W TDP CPUs (Liquid Cooled)																																																						
Chipset																																																							
<b>Chipset</b>	Intel® C741 Chipset																																																						
System Memory																																																							
<b>Memory Capacity</b>	32 DIMM slots Up to 8TB: 32x 256 GB DRAM Memory Type: 5600MTs ECC DDR5																																																						
Expansion Slot																																																							
<b>PCI-Express</b>	8 PCIe 5.0 x16 FHFL slot(s)																																																						
Integrated Onboard:																																																							
<b>GPU</b>	Up to 8 double-width or 8 single-width GPU(s)																																																						
<b>Network Connectivity</b>	2 RJ45 10GbE with Intel® X710-AT2																																																						
Add-on Options																																																							
<b>Raid Card</b>	Optional																																																						
<b>Optical Drive</b>	None																																																						
Front Panel																																																							
<b>LED</b>	Hard drive activity LED, Network activity LEDs, Power status LED, System Overheat & Power Fail LED																																																						
<b>Buttons</b>	Power On/Off button System Reset button																																																						
Drive bays																																																							
	4 front hot-swap 2.5" NVMe drive bay(s), 8 front hot-swap 2.5" SATA drive bay(s)																																																						
Power Supply																																																							
<b>Power Supply</b>	4x 2700W (2+2) Redundant Power Supplies, Titanium Level																																																						
Cooling System																																																							
	8 heavy duty fans with optimal fan speed control																																																						
Form Factor																																																							
<b>Form Factor</b>	4U Rackmount																																																						
<b>Dimensions</b>	Height 7" (178mm), Width 17.2" (437mm), Depth 29" (737mm)																																																						
<p><b>Email : <a href="mailto:Info@tyronesystems.com">Info@tyronesystems.com</a></b></p> <p><b>For more/current product information, Visit <a href="http://www.tyronesystems.com">www.tyronesystems.com</a></b></p>
